

Margaritaville Foods is sponsoring The 2017 S.O.S. Eagle Parade, a public art fundraiser to benefit Veterans Count, a program of Easter Seals. The Eagle Parade will feature fiberglass sculptures of eagles, painted by artists and displayed in a public art exhibit in New Hampshire.

We want YOUR help --- from the acclaimed artist to the amateur! Our own 4½ ft. unpainted eagle sculpture is awaiting an artistic vision with a tropical touch, and we want you to take a shot at creating a paint design for it! The winning concept will be brought to life by our local artist, who will be painting the design on the eagle. Our eagle will be on display as part of the 2017 S.O.S. Eagle Parade throughout the summer, then auctioned off in December to benefit veterans and their families.
