# BAGGO TOSS GAME

This portable game is considered to be the “Cadillac” of the bean bag toss games and is #1 game on the market. It is the perfect promotional opportunity that can be used again and again.

**Item Description** - This custom Baggo game comes complete with: 2 game boards with your custom logo printed and inserted into each board, 8 official size bean bags (2 different colors), distant regulator rope, dual score keepers per board, wall mounting bracket for storage and display, 10 page color instruction manual and a LIFETIME warranty. Baggo is perfect for any occasion.

**Product Availability** - Orders under 50 units, will ship the next business day. Orders over 50 can take as little as 2 weeks and as long as 3-4 weeks. Rush is available.

**Accessorize** - Add custom bean bags to your game for a custom look. Want the full Baggo experience? Grabe the Baggo Caddy.

**Caddy** - 2 Pack (one for each board), Baggo Caddy holds two beverages, all 8 bean bags, includes dual score keepers and is fully customizable with your logo.

**Product Specs** - The Baggo Game is made of high impact blow-molded polyethylene (plastic). It is 33 inches long and 21 inches wide, the boards snap together and carry like a suitcase. When snapped together (in suitcase style) the boards are only 2.5" in depth. The total weight of the unit is 22 lbs. (including bags). The game was designed to fit into the trunk of any car and travel with you anywhere. Baggo is a fraction of the weight of the wooden (homemade) bag toss game and will never rot or warp like a wooden game.

Baggo is a premium product at an affordable price that will last a lifetime!
