GRANBY EDUCATION FOUNDATION GRANT PROGRAM

COMMUNITY GRANTS

The GEF Community Grant Program provides fiscal support for innovative and creative projects that increase knowledge and skills, expand perspectives, and enrich understanding. Our mission is to encourage educators—within our schools and throughout the community—to find new ways to make learning dynamic and challenging, both for themselves and for their students. Grants may be used for educational initiatives that fall outside existing budgets, such as:

- Visiting authors and guest speakers
- Seed money to help launch innovative new programs
- Educational materials and equipment which support innovative programming

ARTS ENDOWMENT GRANTS

The GEF Arts Endowment is a permanent source of funding to support and promote arts initiatives. Our mission is to fund community events or programs that present exemplary works of art to people of all ages. Proposals with a broad reach in the community will be given special consideration. The GEF grants up to \$10,000 annually in support of the arts. Grants may be used for artistic initiatives such as:

- Theatrical, dance, and music performances
- Seed money to help launch new creative programs
- Artistic materials and equipment which support quality programming
