The Cultural Committee has planned another Impressionist seminar on November 7th, which will be informative and interesting for anyone enjoying the Arts. November 8th is our Tennis Mixer and also a Wine Tasting evening.

On November 14th we have our casual Adult Party. After a very successful gala in March, the adults will kick back with a casual evening this time. So wear your casual attire and plan to have a great time with your neighbors!

November 16th is the Children's Fall Festival in the park. Snacks, face painting, and fun are the plan of the day for the children.

Grogan's residents do know how to put on great parties! These events are all sponsored by GPRA. Membership has its rewards! Please come, share in the fun and get to know your neighbors.

### TONY'S POINT

Hello friends! The weather is turning cooler, and the holidays are just around the corner. Don't forget to turn your clocks back this Sunday, November 2nd.

I am very happy to report that no major criminal incidents occurred since the last newsletter. The number of traffic stops and responses to alarm calls has been typical. Our security program officers completed 164 vacation watches in the past month.

Security is aware of a significant media presence in the neighborhood and concerns have been addressed. If problems persist, please feel free to contact 936-760-5800 to reach the non-emergency dispatcher.

Thank you to the GPRA Security Program for purchasing a laser speed detection device, which our officers will begin using very soon to continue to curtail speeding within the neighborhood.

Security membership is beginning to increase. Thank you to those of you who have joined as well as to those who have encouraged your friends and neighbors to join by explaining the benefits of the program.

Finally, it should go without saying, but please do not approach officers when they are actively engaged in an event, especially if weapons are drawn. Rather, put distance between yourself and the situation if possible.

Until next time friends.....please stay safe.

Deputy Tony Madison
