

# THE SYMPHONY

2016

## 2016 SIMULCAST COMMISSIONING

My Dear Sister  
I want you to know  
Before we go  
That I agree with Jesus about you.  
I think you are spectacular  
A one-of-a-kind woman of God  
And no one can take your seat  
In the divine symphony.  
The God of all creation  
Who knows you completely  
Has chosen you  
You are gifted by the Spirit  
Gorgeous in the light of His presence  
Predestined to bear much fruit for His glory  
Don't waste your time and energy  
Being petty and unforgiving  
It's time to move on  
To put away the bitterness  
To be healed of your anger  
And delivered from all shame  
You are a vital instrument  
In the symphony of this generation  
Resist the temptation to build a platform  
Just play your instrument  
And draw attention to the Maestro.  
Never forget the Scripture is your only visible Concertmaster.  
And that you cannot fulfill your destiny  
Apart from a faith community.  
Always remember the power of agreement  
Stay connected to other believers  
They need you and you need them  
Whether or not you get what you prayed for  
You will always get His Presence.  
Girlfriend, trust Jesus  
He cannot do you wrong  
He will orchestrate every bit of your pain  
Into glorious Kingdom gain.  
Now as we leave this place  
Let it be said in heaven of us  
That we agreed in the Lord Jesus Christ  
And gave our Conductor in heaven  
The chance to hear a divine symphony  
Now get out there and make some music  
In Jesus' Name
