AWARD-WINNING RECORDING ARTIST NICOLE C. MULLEN RELEASES NEW ALBUM *CROWN HIM: HYMNS OLD AND NEW* THROUGH AN EXCLUSIVE PARTNERSHIP WITH FAMILY CHRISTIAN STORES

(October 28, 2013) - Award-Winning Recording Artist **NICOLE C. MULLEN** released her new album ***CROWN HIM: HYMNS OLD AND NEW*** (*Crown Him*) through an exclusive partnership with Family Christian Stores. The CD is available now and features classic favorites and new songs penned by Mullen.

"I grew up hearing hymns because my parents knew them and my grandparents were singing them at their churches," said Mullen. "When the opportunity came to do a hymns album, I thought, 'Oh, I'd love to!' As a songwriter, one of my goals is to write songs that will not just affect people today, but will affect people in their worship tomorrow and in future generations."

Crown Him features classic and new hymns, including an unexpected cameo of "Redeemer." Traditional and contemporary songs of praise such as "All Hail The Power" and "It Is Well" are beautifully performed, while original songs, such as one titled "Teach Me," round out this breathtaking longplayer of 12 songs. Mullen's beautiful voice has never sounded more compelling than on this hymns collection.

"The title *Crown Him* comes from the hymn 'All Hail the Power of Jesus Name' because we crown Him Lord of All," explained Mullen. "I'm very excited about people hearing it, and I can't wait for people to be able to worship along with these songs."
