Captain's Logbook — Second Entry — July, 2021

Our clubs are SO excited to see concerts back in full swing! The feeling is palpable as rumors swirl through social media and email in the Parrothead Nation. Tailgates are being planned, karavans, socials, parties, tickets bought...so what is coming next for the Parrothead Clubs?

It means that all of our favorite musicians are more active than ever doing all of those local events and house concerts. We want to support the artists that support our events, and we are finding new ones every day. Which then leads to Meeting of the Minds!

Bill and Rob have really knocked it out of the park with an incredible 5 day line up. We have people playing MOTM who have never graced our stage including The Wheeland Brothers from California, Caroline Jones from Nashville, and Anuheia from Hawaii! How is that for diverse? Not to mention getting it done in record time!

So let's look even bigger. If you haven't seen the chatter, Jimmy Buffett is back practicing and touring in the year he turns 75 years old. The MOTM Crew is still dotting some i's and crossing a few t's for this year, but have also already started work on the 2022 75th Birthday Celebration for Jimmy Buffett at Meeting of the Minds! This gives us an entire year to help clubs run their own events and promote them as "Leading to the Minds!" 2022 may be the biggest year ever as PHiP will be sponsoring regional events to encourage people to join our clubs, learn about PHiP, promote all of the great local, regional, and national charity work, and tie it all up with cake and coffee (ok...boat drinks) in Key West for Jimmy's birthday.

I have to say, it is a good time to be a Parrothead! I hope you are all enjoying the excitement; I know I am...and there is more to come (maybe end of July!)

Fins up my friends!

MOTM Announces an Expanded Music Slate and an Exciting New Sponsor

by Rob Hill, MOTM Co-Chair

We have expanded music performances starting Wednesday afternoon and including a four-hour brunch show on Sunday.

We will be donating one dollar from every paid registration to Singing for Change, and we will be celebrating Jimmy's 75th trip around the sun on Saturday night.

Another new feature is the Lighthouse Songwriter Showcase, which has been a Key West Institution for many years during MOTM week but which comes inside the gates for the first time, with Songwriters Island Radio broadcasting great songwriter performances beginning at 11am Thursday through Saturday.

More than any previous edition of MOTM, this one will highlight female talent, beginning with Wednesday's all-female showcase "Girls Just Wanna Have Rum" and including headliners Caroline Jones, Anuheia and Nadirah Shakoor.

For the first time ever, MOTM will have a presenting sponsor - the new Margaritaville Island Reserve luxury all-inclusive resort brand by Karisma, which has opened its first and is on the verge of opening its second and third resorts - two in the Riviera Maya, Mexico area and one in Cap Cana, Dominican Republic.

This is a partnership made in Heaven, not only because of the support it offers to our signature event, but because Karisma is ready to work with clubs and individual Parrot Heads on some awesome vacation and event planning. They even have a special corner of their website devoted just to Parrot Heads right [here!](#)

Registration is still [open](#).

Club Website Judging Begins August 15

Parrot Head clubs should not underestimate the importance of having a good website. Your club website is where you tell potential new members your story about Parrot Heads, about your club, about the fun you have helping others in your community. Your club website is also a nexus of information about your club activities that members can use wherever they have internet access. Therefore, you want it to be easy to access and find topics, visually appealing to guests, and as much as possible, creative with our special Parrot Head flair. A good website can make event registration a breeze, keep track of membership and sell club merchandise.

With that in mind PHiP has created a club website contest, now in its second year, to recognize those clubs who are the best at creating and maintaining their websites, and to give the rest of us an opportunity to learn from them.

Now's the time to get your website up to date and looking good.

All Club websites are eligible for the contest except the past five winners. The contest started in 2020 so there is only one previous winner. The [Villages Parrot Heads Club](#), take a look at their website to see what a winning website looks like.

All websites will be judged and finalists will be decided chosen beginning August 15, 2021. A second group of judges then review the finalists, and winners are chosen.

PRIZES:

1st Place ----- \$300 donation to your local charity of choice,
2nd Place ----- \$200 donation to your local charity of choice,
3rd Place ----- \$100 donation to your local charity of choice.

If Jimmy Buffett Had Become a Texan

by Stephen Woods

Jimmy Buffett's concert tour isn't coming to Texas this year. His concerts in Dallas, San Antonio and the Woodlands, which were postponed last year due to Covid, have not been rescheduled. However, Buffett was in Luckenbach to take part in the Jerry Jeff Walker tribute concert on June 5th. This should surprise no one as Jimmy and Jerry Jeff were close friends going back to a meeting in Nashville in 1970.

Buffett credits Walker with jump starting his career by encouraging him to move to Florida. Many big names in the music business, like Freddie Neil, David Crosby and Joni Mitchell, were coming to Miami at the time. From there it was only a short trip in Walker's 1947 Packard to Key West, and the rest is history. History however, can often turn on a dime. A few months later Walker packed his guitar and moved to Texas. What if Buffett had not gone to Key West but instead had waited and gone with him to Austin?

In fact, Buffett did make a number of trips to Austin to see his friend who used his contacts to arrange gigs for him. Buffett would perform as the opening act at Castle Creek, then a popular Austin nightclub, and he played at Willie Nelson's 4th of July picnic in 1974. However he never quite fit into Walker's lifestyle or the growing Austin based country music scene and would return to Florida to record.

Jimmy Buffett, a Texan???

Then after a visit to an Austin Mexican restaurant, Buffett penned the beginning of a verse about a man trying to get over a failed relationship by mixing his favorite cocktail and watching the seasonal influx of tourists on his beloved beach. After hopping a plane back to Florida, Buffett finished the song, recorded it and became rich and famous.

But suppose Jimmy Buffett had never made the fateful trip to Key West in Jerry Jeff Walker's Packard? How might things in the Buffett and Parrot Head world be different?

There would still be a *Margaritaville* (after all that [frozen concoction was invented in Dallas](#)) along with the wealth and fame that followed.

After the fame of *Margaritaville*, Buffett would likely have found his place in the Austin "Outlaw Country" music scene. He had already been on stage with many of its luminaries. His band though most likely would not be named the *Coral Reefers*, but more simply, the *Reefers*.

The lyrics to some of Buffett's later songs would likely be different. Every Texan knows it should be *Sliced Brisket in Paradise*, not *Cheeseburger*. Furthermore, sharks aren't a problem here. Instead we have snakes.

*Can't you hear them rattling honey?
Can't you see them slither around?*

Meeting of the Minds would likely be in Luckenbach instead of Key West. It makes sense. Gonzo Mays may have gotten the idea for her mayoralty from [Hondo Crouch](#).

Most significantly, Buffett's fans may never have become known as Parrot Heads. What instead? Perhaps with a nod to Gary P. Nunn, we would all be known as [Armadillo Heads](#).

Now I know my non-Texan readers are aghast at the prospect. Even as a Texan, I would miss the beach lifestyle Buffett personifies. Consequently, we can all be thankful that Jerry Jeff and his Packard were there when needed, and events played out as they did.

London (Ontario) PHC Boasts Two PHiP Scholarship Winners

Every year PHiP awards three college scholarships in the amounts of \$5,000, \$3,000 and \$2,000 to members and their children or wards of chartered Parrot Head clubs. The money, which is awarded in a national competition, is donated by individual Parrot Heads or clubs through a raffle for an all inclusive one-week vacation, this year at Margaritaville Island Reserve Riviera Cancun.

The competition is challenging. This year's entrants submitted for the judges' consideration their GPA, SAT or ACT scores, responses to three short answer questions and a 1500 to 2000-word essay. The entries were judged blindly with no reference to club affiliation allowed.

This year, we have a repeat winner of a scholarship sandwiched by our first ever winners from Canada. Not only are they from Canada but they came from the same club. While we have had a repeat winner before, we have never had two winners from the same club win the scholarship. Congratulations to all our winners.

The winners of the 2021 scholarships are:

Kiersten Forkes from Burlington, Ontario (London Ontario Parrot Head Club) is the winner of the first place award of \$5000.

Heather Erlemann, from Cary, North Carolina (Parrot Heads Of North Carolina) is the winner of the second place award of \$3000.

Claire Julian from London, Ontario (London Ontario Parrot Head Club) is the winner of the third place award of \$2000.

Again, congratulations to the three winners, and thank you to all that applied as well as our judges who took many hours out of their days to help in making this very tough decision.

It's That Time Again!

When visions of golden coconuts dance in club officers' heads.

After all, it's the most coveted club award in Parrot Heads, but one your club can win too.

It's time to write your Golden Coconut essay.

Entries for the 2021 Golden Coconut Award of Excellence, presented by a representative of Margaritaville, Inc., will be accepted via email from July 1st, 2021 until August 31st, 2021.

For all the new clubs and new leader's out there, here's a little history lesson:

In 1996, Margaritaville and Parrot Heads In Paradise, Inc. decided to create an award to be given to a deserving Parrot Head Club, emblematic and in recognition of the outstanding Charitable and Environmental efforts of ALL Parrot Head Clubs.

Today, competition for the coveted award is waged through a "blind essay" submitted to an illustrious panel of judges composed of previous Golden Coconut Award recipients.

If your club hasn't entered or has entered in the past and didn't win, then you should submit a first-time entry or enter again!!!

Did you know:

- * Many clubs who submit a blind essay for the contest have submitted an essay before?

- * Many clubs don't enter because they think it's based on membership or fundraising numbers.

NOT TRUE!!

Here are a few hints that might help:

1. **BE CREATIVE!!** (if it looks boring & not fun to read and it really has nothing but fundraising figures, it's probably going to get a low score). Make it fun to read! We know you all are creative out there! You show your creativity in your concert attire, tailgating, event decorations and events! Put that same creativity to paper!!

Golden Coconut (Cont.)

2. Read last year's winning essay, as well as previous winning essays!! They are posted at: <http://www.phip.com/club-winners>.

Use their creativity as a Guideline!

3. You can't win if you don't enter!! The Golden Coconut Award is like winning the Lottery of PHIP and gives your club membership into a very unique and small group of Clubs who use their win to their advantage! You have bragging rights to use on your website, on your club merchandise! You know you love to talk about your club to anyone who will listen!! Imagine telling a potential sponsor of your event or club that *your* club is a Golden Coconut Winner and then explaining what it stands for!! **We know you can be loud & proud.. put that spirit down on paper!!**

4. Follow the rules!! Yes, we gotta have some stinkin' rules ... (as all contests do, see sidebar to right).

5. Don't have time to write a blind essay to submit?? I would be willing to bet that you have someone in your club who is a creative writer! Tap them as a resource!! There is NO rule that the Golden Coconut must be written by a Club's Officer, the GC just needs to be submitted by the club's contact!! Sometimes a member who would love to contribute in some way just needs to be asked!

6. Every chapter, with the exception of previous Golden Coconut recipients from 2016 to 2020, regardless of size or age, has an equal opportunity to win this most coveted designation!

CONTEST CLOSES AUGUST 31st, 2021.

Get that creativity going NOW!

This would be a great time to put your thoughts down & still have time for edits.

Good luck!!

The PHIP Alzheimer's Walk National Team 2021 Needs You

In 1994, Jimmy's Buffett's father, James Delaney Buffett, Jr. was stricken with Alzheimer's disease and passed away at age 83 in May of 2003, several years after being diagnosed. It was then that many clubs elected to do something as a tribute to Jimmy's father. Our PHiP chapters not only support Alzheimer's to honor Jimmy's father but also because we're seeing this devastating plague insinuate itself into our own ranks.

As many of you know, PHIP is part of a National Team for Alzheimer's Association. We have said that we would raise \$100,000.00 at this year's walk, and of this date (July 1, 2021) we have 14,035.00, its only 14% of our goal. We as well as I, have to send emails, Facebook notices or whatever it takes to let others know that we are walking against this disease.

Here are the top clubs in the country in raising funds and awareness for Alzheimer's.

- | | |
|-----------------------------------|------------|
| 1. Phur our Phlockign Phriends | \$3,122.00 |
| 2. Galveston Bay Parrot Head Club | \$2780.00 |
| 3. Shoreline Parrot Head Club | \$1907.00 |
| 4. Charlotte Harbor | \$1025.00 |

We are very proud of the above teams who give us a goal and incentive to form and add to our teams.

Some of the clubs have reached out to me, and I answered the best that I could. If you have any other issues or concerns, please contact me direct at Bob Noonan Rnooner@aol.com.

PARTIES & PURPOSES PARROT HEAD UNIT

In the midst of a pandemic, hardy groups of partiers still found ways to provide much needed help to their communities. They are known as Parrot Heads. These are their stories .

The San Diego Parrot Head Club was pretty much shut down due to COVID, but did raise and donate \$350 to our local Toys for Tots program.

Beaches A1A held their 25th Annual Beach Bash June 17 - 20, 2021 at the Guy Harvey Resort in St. Augustine Beach, FL. Thanks to the generosity of the 300+ attendees, we Partied With a Purpose and raised \$25,000.00 for the Alzheimer's Association.

Padre Island PHC had our Beach Bash 2021 "Blame It On Buffett" and raised money for The Texas Sealife Center by a Raffle and Silent Auction, and on June 25th our club donated \$3500 to The Texas Sealife Center.

Although Music on the Bay was cancelled for 2021, Tampa Bay PHC still raised 11,000 from sponsors, individuals and online donations.

Coastal Jersey PHC Team came in third out of 23 registered at the ACS Relay for Life raising over \$3300.00 to date earning a Bronze status. We are continuing to raise funds for ACS thru July.

The Parrothead Club of Eastern Mass has been very busy despite the situation. We have donated blood a few times at 2 different breweries in the state for Dana Farber, Joe Andruzzi foundation and Hook for a Cure for cancer. We also donated online to NEADS service dogs. They train dogs for people with special needs and veterans! We raised over 800 dollars to help their cause.

Extraordinary Buffett Memorabilia Auction to be held During Meeting of the Minds

Judith Ranger-Smith, Executive Director of Singing for Change Charitable Foundation, has curated a collection of unique Jimmy Buffett memorabilia over the years with the vision of auctioning the items at a future date.

What better time than Jimmy's 75th birthday?!

The items have been graciously donated to the Lone Palm Foundation after a successful partnership between the two foundations at the 2019 convention.

This treasure trove of memorabilia will be auctioned off this year at Meeting of the Minds in Key West, Florida.

Proceeds to benefit both foundations.

A preview party with special guest Judith Ranger-Smith, will be held Wednesday, November 3, 2021 in the HMF Sidecar Lounge at Casa Marina from 5:00 PM to 7:00 PM. Innovative cocktails will be available for purchase while viewing these rare collectible items.

Live music will be provided by John Frinzi and Aaron Scherz.

This is a public event prior to PhiP's Meeting of the Minds, so no credentials will be required to enter the Casa. To attend the auction on Saturday, November 6, 2021 you will need to be registered for Meeting of the Minds and have credentials. Note, you must be a member of a sanctioned Parrot Head club to register for MOTM.
